

ΕΡΓΟΣΤΑΣΙΟ ΓΡΑΝΙΤΗ

Η **Laveo** είναι μια πολωνική επωνυμία της οποίας η καρδιά χτυπά στη βιομηχανική πόλη του Λοντζ και της οποίας οι ρίζες πηγαίνουν πολύ πιο πίσω από το 2008, όταν ιδρύθηκε. Είναι ένα brand που δημιουργήθηκε από μια δημιουργική και αφοσιωμένη ομάδα που αναπτύσσει μια προσφορά πρωτότυπων προϊόντων εσωτερικής διακόσμησης σε καθημερινή βάση. Προϊόντα επιλεγμένα όχι μόνο για το χαρτοφυλάκιο της μάρκας, αλλά και αυτά που θα βλέπαμε και στα δικά μας ιδιωτικά σπίτια.

Η σειρά μάρκας Laveo περιλαμβάνει εξαρτήματα που έχουν κερδίσει πολλά βραβεία σε διαγωνισμούς σχεδιασμού. Αυτές οι συλλογές εκτιμώνται για το συνδυασμό του μοντέρνου σχεδιασμού με πρακτικές λύσεις για το μπάνιο και την κουζίνα. **Η Laveo προσφέρει επίσης νεροχύτες σχεδιασμένους και κατασκευασμένους στο δικό της εργοστάσιο, του οποίου οι γραμμές παραγωγής βρίσκονται στην Πολωνία.** Η πλούσια γκάμα προϊόντων περιλαμβάνει επίσης συλλογές από ντους, αποχετεύσεις και αξεσουάρ που σας επιτρέπουν να δημιουργήσετε στυλιστικά συνεκτικά μπάνια. Πρόκειται για προϊόντα που θα συμπληρώσουν τα μπάνια σοφίτας και τα πολυτελή λαμπερά σαλόνια μπάνιου, καθώς και λύσεις για σκανδιναβικές, απλές τραπεζαρίες και Προβηγκιανές κουζίνες.

Τα προτεινόμενα προϊόντα Laveo έχουν σκοπό να αυξήσουν την άνεση του σπιτιού σας και να διευκολύνουν τις καθημερινές δραστηριότητες. Η επίγνωση ότι τα προϊόντα δεν πρέπει μόνο να φαίνονται εντυπωσιακά, αλλά και να λειτουργούν καλά σε σπίτια γεμάτα ζωή, σημαίνει ότι οι σειρές της μάρκας επιλέγονται συχνά για ανακαινισμένους εσωτερικούς χώρους. Η συλλογή Laveo περιλαμβάνει μοντέλα που προορίζονται για ευρύχωρα σαλόνια σπα στο σπίτι και ανοιχτές κουζίνες. Αμέτρητα μοντέλα θα ταιριάζουν σε μπάνια και μικρές κουζίνες με περιορισμένο χώρο. Δίνοντας σημασία στην ποιότητα των υλικών και τη συμμόρφωση των προϊόντων με τα πολωνικά και ευρωπαϊκά πρότυπα εγγυάται ότι τα εξαρτήματα, οι νεροχύτες και οι λύσεις ντους μπορούν να χρησιμοποιηθούν σε όλους τους τύπους δωματίων, συμπεριλαμβανομένων εκείνων στους οποίους έχουν πρόσβαση τα παιδιά.

Ο συνδυασμός της δημιουργικότητας με την προσοχή στη λεπτομέρεια και την ευαισθησία στη σχεδίαση έχουν κάνει τη μάρκα όλο και πιο πρόθυμη να επιλεγεί από σχεδιαστές, σκηνοθέτες σπιτιού και σχεδιαστές εσωτερικών χώρων. Η συνεχής παρατήρηση των τάσεων, η ακρόαση των αναγκών της αγοράς και το άνοιγμα στις προτάσεις των επενδυτών επέτρεψαν στη μάρκα Laveo να είναι παρούσα σε διαμερίσματα και δημόσια κτίρια, τόσο στην Πολωνία όσο και σε ξένες αγορές όπως η Γερμανία, η Ρωσία, η Ρουμανία, Ιταλία, Πορτογαλία Ισπανία, Ουγγαρία κ.λπ.

KUCHINOX

Η Kuchinox είναι μια πολωνική επωνυμία που ιδρύθηκε πριν από ένα τέταρτο του αιώνα στο Λοντζ.

ΑΠΟ ΤΗΝ ΠΡΩΤΗ ΣΤΙΓΜΗ, Η ΒΑΣΗ ΤΗΣ ΔΡΑΣΤΗΡΙΟΤΗΤΑΣ ΜΑΣ ΗΤΑΝ Η ΠΑΡΑΓΩΓΗ, ΕΙΣΑΓΩΓΗ ΚΑΙ ΔΙΑΝΟΜΗ ΠΡΟΪΟΝΤΩΝ ΥΓΙΕΙΝΗΣ ΕΣΩΤΕΡΙΚΗΣ ΔΙΑΚΟΣΜΗΣΗΣ.

Με τα χρόνια, επεκτείναμε συστηματικά την προσφορά των προϊόντων μας όχι μόνο με νέες συλλογές εξαρτημάτων και νεροχύτες, αλλά και με νέες ομάδες προϊόντων, όπως χειρολαβές θυρών και ντουλάπες, που έχουν γίνει σημαντικός κλάδος του χαρτοφυλακίου μας.

Η ιστορία της εταιρείας, η οποία χρονολογείται από το 1997, είναι απόδειξη όχι μόνο ότι ξέρουμε πώς να διευθύνουμε μια επιχείρηση, αλλά κυρίως ότι έχουμε πιστούς επιχειρηματικούς και μεμονωμένους πελάτες χάρη στους οποίους δραστηριοποιούμαστε στην πολωνική και ξένη αγορά για ένα τέταρτο του αιώνα.

Πολλά έχουν συμβεί στην αγορά εσωτερικού σχεδιασμού τα τελευταία 25 χρόνια, αλλά προτεραιότητά μας ήταν πάντα να διασφαλίσουμε ότι **η προσφορά Kuchinox είναι διαφοροποιημένη**.

ΑΚΟΛΟΥΘΟΥΜΕ ΤΙΣ ΤΑΣΕΙΣ ΠΟΥ ΥΠΑΓΟΡΕΥΕΙ Η ΒΙΟΜΗΧΑΝΙΑ ΕΣΩΤΕΡΙΚΟΥ ΣΧΕΔΙΑΣΜΟΥ, ΠΑΡΑΜΕΝΟΝΤΑΣ ΠΙΣΤΟΙ ΣΤΑ ΚΛΑΣΙΚΑ.

Χάρη σε αυτήν την ευρεία προσέγγιση για τη δημιουργία της προσφοράς Kuchinox, κερδίζουμε συνεχώς νέους πελάτες για τους οποίους η τρέχουσα μόδα είναι σημαντική. Επιπλέον, μπορούμε επίσης να καυχηθούμε για **μια μεγάλη ομάδα τακτικών πελατών** που είναι μαζί μας για δεκαετίες και εκτιμούν τη σταθερότητα του χαρτοφυλακίου μας.

Η ιδέα που μας καθοδηγεί κατά τη δημιουργία ενός νέου μοντέλου στην προσφορά μας είναι **να συνδυάσουμε την εντυπωσιακή σχεδίαση και την καλή ποιότητα που διατίθεται σε προσιτή τιμή**. Για την προετοιμασία κάθε προϊόντος προηγούνται αναλύσεις των αναγκών των πελατών, της ζήτησης της αγοράς και παρατήρηση των τάσεων. Προτού δει το φως της δημοσιότητας μια νέα πρόταση, αναζητούμε απόψεις εντός της εταιρείας από άτομα από διάφορα τμήματα, τα οποία αποτελούν μια αντιπροσωπευτική, ποικιλόμορφη ομάδα των πιθανών αποδεκτών μας. Το επόμενο στάδιο είναι ο λεπτομερής ποιοτικός έλεγχος, τον οποίο διενεργούμε με δύο τρόπους. Ο πρώτος έλεγχος προϊόντος γίνεται αμέσως μετά την ολοκλήρωση της παραγωγής, στα εργοστάσια με τα οποία συνεργαζόμαστε. Ο επόμενος έλεγχος πραγματοποιείται από έμπειρους υπαλλήλους του εσωτερικού μας Τμήματος Ποιοτικού Ελέγχου.

ΕΝΑ ΕΞΑΙΡΕΤΙΚΑ ΣΗΜΑΝΤΙΚΟ ΜΕΡΟΣ ΤΗΣ ΔΟΥΛΕΙΑΣ ΜΑΣ ΕΙΝΑΙ Η ΣΥΝΕΧΗΣ ΕΞΕΛΙΞΗ, ΤΟΣΟ ΣΕ ΕΠΙΠΕΔΟ ΕΤΑΙΡΕΙΑΣ ΟΣΟ ΚΑΙ ΣΕ ΑΤΟΜΙΚΟ ΠΛΑΙΣΙΟ.
